DISCUSSION ITEMS

A) Water and Sewer Ordinance #2015-141

Village of Questa Regular Meeting July 09, 2019

Mayor Gallegos requested this item be on the agenda so that we can decide when we can review this ordinance as well as review the rate study. Ms. Martinez requested the staff be present at this meeting to go over the items that they are finding difficult to follow and enforce; as well as all connection fees.

Councilman Ortega asked how many residents have hooked up to the sewer on Cabresto and Abra since the sewer was put in. Ms. Martinez stated that she believes that only a couple of people have paid to connect. Councilman Ortega asked if there are any programs or grants that can assist people with the connection cost. Ms. Coleman stated that we can look into some services for assistance. Councilman Ortega requested a copy of the ordinance as well as the rate study.

B) Property Acquisition on North Kiowa Road

Mayor Gallegos stated that there are some property acquisitions that have been in question on North Kiowa Road when the road got re-aligned. He is requesting that staff work with legal counsel to get these properties in order. Councilman Gonzales agreed, this issue has been going on for years. Councilman Jaramillo stated it is going to be difficult. Mayor Gallegos stated that either way it needs to be resolved. Councilwoman Gallegos stated that we need to do whatever we can to get it cleaned up. It was decided to allow legal counsel to take a look at these properties and come up with a resolution.

X. MATTERS FROM MAYOR, COUNCIL AND ADMINISTRATIVE STAFF

Councilwoman Gallegos-

 • There are a lot of complaints about Verizon's service. Councilman Jaramillo stated that Verizon is not on the tower it is Comnet putting out a signal that mirrors Verizon. He suggested letters be sent to Comnet from the Village as well as citizens. Mayor Gallegos state that our attorneys are talking with T-Mobile representatives.

• The Fishing Derby is on Saturday at Eagle Rock Lake. Ms. Coleman asked the Council if they would be available for a welcoming. Councilman Ortega committed to being there.

Councilman Ortega-

• Vida Del Norte is planning a welcome home event at the VFW for the members who went to the conference in Dallas. He invited everyone to attend. Mayor Gallegos stated we can help with some refreshments, just let us know.

Councilman Jaramillo –

• Inquired if we have the funding to fix the light poles that are down or the ones that are not working. Ms. Coleman stated that Council recommended that we wait until there are at least 5 lights to repair before we call someone in to fix them because of the cost. She stated that we will take a count of the ones that are out and go from there.

Mayor Gallegos -

• There will be an EPA quarterly meeting on July 19th in the morning. It will be an update on the tailings project.

Councilman Gonzales -

• Requested that anything that Chevron is doing that they put it in writing and maybe do a monthly report to us.

• The fire department all worked very well together today at the fire in Cerro. It seemed to run very smoothly.
