

Village of Questa – TextMyGov Announcement

The Village of Questa is excited to announce the launch of TextMyGov, a new text messaging service designed to keep residents informed with timely and relevant information directly affecting our community.

This new texting service allows the Village to send text notifications to residents about important updates and local events. As part of our commitment to keeping our community informed and engaged, some residents may receive an initial text from the number **91896** during the week of **February 1st, 2024**. These residents will receive essential and important community updates once they complete the opt-in process.

Residents can easily sign up to stay notified about village notifications such as **Utility Services, Road Closures, Upcoming Events, Public Safety Alerts, and General Announcements**.

We encourage all residents to opt-in for these important notifications to keep informed of all village announcements. Signing up is easy. Simply text **VOQ ALERTS** to the number **91896**. After sending the initial keyword, you will be asked to complete the opt-in process by responding with **YES** by text to **91896**.

Users may opt-out anytime from future text alerts by simply texting **STOP** to **91896**.

This new communication tool underscores our dedication to transparency and community engagement. We look forward to connecting with our residents and enhancing our ability to communicate effectively.
